

INSTRUCTIONS FOR FASHION REVUE JUDGING AND PUBLIC REVUE

Please read through all instructions

Please read carefully the information below and bring these instructions with you on the day of judging. If you have questions, please do not hesitate to ask anyone wearing a nametag.

Location for Judging:

Fashion Revue **Judging** takes place the morning of September 19 (8:00 – 1:00) at the [Stringer Fine Arts Center](#) located at Hutchinson Community College, 600 E. 11th Ave., Hutchinson, Ks.

Upon Arrival:

Please plan to arrive half an hour before your scheduled judging time. Upon arrival, check in at the front desk. Here you will receive your contestant number and can then head back to the dressing rooms. Due to the high volume of people, only one adult is allowed back in the dressing room with the contestant. All other family members are welcome to sit in the auditorium where practice will take place.

Contestant Number:

Each contestant will receive a contestant number when checking in for judging. **PLEASE DO NOT MISPLACE YOUR NUMBER AS THIS IS THE ONLY ONE WE HAVE FOR YOU.** You will need the number for judging, practicing and lining up for the public fashion revue.

Numbers are printed on labels with a sticky back. If you do not want to stick the label directly on your clothing, we will provide safety pins to pin the number on your clothing. Please place the number on your left leg, just below your fingertips. This number is to be worn during the judging and practice in the morning, **but does not need to be worn during the public fashion revue.** However, you are asked to bring it with you to the public revue to help with line-up. Your number determines your place in line during the public fashion revue.

Dressing Rooms at Stringer Fine Arts Center –

Dressing rooms will be available on site. Please plan to be dressed and ready 15-20 minutes before your scheduled time. There will be one large open room for boys and one, large open room for girls, plus restrooms with individual stalls if more privacy is needed. We also use rooms 147 and 148 (with big mirrors and theater lighting) for hair and make-up.

These rooms are fairly small but have several mirrors and electrical outlets in them. Please make sure your time here is brief so others may utilize the space too.

INSTRUCTIONS FOR JUDGING

Line up for Judging:

After you are dressed, go directly to your assigned judging room and check-in with the volunteer at the door who will help get everyone lined up correctly. Judging schedules are posted at each door. Please be sure to line up in the judging order listed, not in numerical order.

Judging:

You and your group will go into the judge's room together. You will individually model your outfit and briefly consult with the judge. After the group is finished being judged, you will all go directly to the Recital Hall/Auditorium, Room 114 for stage practice. Wait for your name to be called to the stage and practice for the Public Revue; everyone must practice. This will be the only change you have to practice for the Public Revue, please take advantage of this so you understand how this will work later in the day.

Call Backs:

As contestants leave the judging room, call backs will be handed a "call back" card. If you are not a call back, you may leave the building after you are finished practicing for the public revue. Please see below for the time you need to arrive at the 4-H Encampment Building for the public Fashion Revue.
